

Certificate IV in Kinesiology (HLT42807) & Certificate of Solution Oriented Neuro-Training

Certificate IV in Kinesiology is a nationally recognised qualification intended to provide students with the necessary skills to become a respected professional practitioner with industry recognition. This course delivers the latest research and developments in the Kinesiology industry including skills and techniques in the mental, emotional, physical, biochemical, nutritional and energetic contexts. Easternview Education Centre is able to offer this course as an Authorised Trainer for College of Neuro-Training.

The Certificate of Solution Oriented Neuro-Training is accredited by the Industry Peak Body, the Australian Kinesiology Association (AKA), and has international recognition. Solution Oriented Neuro-Training delivers advances in neuro-science research integrating this with kinesiology in an enhanced and comprehensive training experience. Successful completion of this course results in an industry accredited qualification recognised by the AKA. This qualification can be studied either as part of becoming a professional practitioner or for personal interest.
